## A PRETTY VERMONT HOME.

Capt. Hutchinson is a Stanch Friend of Peruna, Made so by Personal Experience.

The Home of Captain Hutchinson, of Montpelier, Vt.

#### Chronic Catarrh and Throat Trouble.

"It gives me pleasure to write you this letter at this time on account of the good your Peruna has done me when I was quite done up with a very bad cold. I could hardly perform my ordinary duties, but from the use of Peruna I am almost restored to health."

"I am quite convinced that it has helped me from chronic catarrh, to which I am subject. It has also benefited my throat."

"I can truly recommend it as the best all-round medicine it has been my privilege to become acquainted with. Of this I am quite convinced from my own experience."—Capt. Lemuel M. Hutchinson, Montpelier, Vt.

#### Can Now Eat Anything.

Mr. J. W. Pritchard, Columbia City, Ind., writes: "I am pleased to say that I have been cured of catarrh of the stomach by Peruna."

"I could hardly eat anything that agreed with me. Before I would get half through my meal my stomach would fill with gas, causing me much distress and unpleasant feelings for an hour or two after each meal."

"But, thanks to your Peruna, I am now completely cured, and can eat anything I want to without any of the distressing symptoms. I can now enjoy my meals as I used to do, and it is all due to Dr. Hartman and his wonderful medicine, Peruna."

"It has been one year since I was

cured, and I am all O. K. yet, so I know I am cured."

#### A Nervous Breakdown.

Mr. Lewis Zim, editor and proprietor of "St. Augustine Meteor," writes: "Any man in public work finds at times that he is under a peculiar nerve strain. I found that with it I lost my appetite, and my brain seemed to work unceasingly during waking and sleeping hours, so I was tired and worn out in the morning."

"Tonics and invigorators were suggested and tried, but nothing was of benefit to me but Peruna. That is certainly a remarkable medicine. I was restored in three weeks to my normal healthy condition, my appetite returned and my sleep was refreshing."

**Where**—The farmer can take his calendar and mark down what work he will do in each day for the entire year, knowing the weather conditions will not prevent the carrying out of his plans.

**Where**—The climate is as near perfect as can be found on the Continent.

**Where**—It only requires the planting of oats, wheat, alfalfa and sugar beets to be assured of magnificent crops; we have perpetual sunshine and water and a little work is all that is required.

**Where**—The Sugar Beet grows best, yielding from 20 to 30 tons per acre worth \$5.00 per ton at F. O. B. any beet dump. The first crop of sugar beets will pay you the original cost of your land. (This is a statistical fact). The sugar beet raiser spends his winters in California or abroad. Why not join this class?

Let us show you a place to build a home for yourself and family, where the land increases in value while you sleep. We have no crop failures.
